REPORT OF THE BOOK COMMITTEE TO THE ANNUAL CONFERENCES OF THE METHODIST EPISCOPAL CHURCH

For the year ended December 31, 1919.

The greatness of Methodism is nowhere more apparent than in the colossal achievements of its publishing interests. The Book Concern, supported by the mighty denomination which it has done so much to create, has grown steadily through the years until the present total assets are \$6,918,717 and the net produce for the last year \$517,285. Such an achievement is possible only in an institution of marvelous intellectual and spiritual vitality. As a result of this unusual prosperity with devout gratitude we announce a dividend of \$300,000 and an extra dividend of \$100,000 for distribution among the Annual Conferences.

The Methodist Episcopal Church is to be congratulated that it can present to the world in times of industrial unrest such an ideal incarnation of Christian principles in industry as our publishing interests afford.

REPORT OF AMERICAN BIBLE SOCIETY.

The Committee on the American Bible Society makes the following report: That every pastor in the Conference observe the last Sunday of November as Mayflower Universal Bible Day. Also, that everyone preach on the important part the Bible has played in American history.

One can obtain the necessary literature by applying to the Bible House, Astor Place, New York.

The Society is doing work in five continents, in islands of seven seas, in over 150 languages, in twelve kinds of Scripture for the blind, through nine main printing plants, through nine home agencies, eleven foreign agencies, by 1,614 colporteurs and correspondents.

Distributed in 1918 over 6,000,000 volumes at cost, or at less than cost; about 4,000,000 volumes at home and about 2,000,000 volumes abroad.

It has distributed in 103 years over 134,000,000 volumes.

It urgently solicits aid for its world-wide work.

Very respectfully submitted,

EDWARD P. HALL,
GIDEON N. JOLLY,
W. C. STEWART,
Committee.

SABBATH OBSERVANCE.

We, the Committee on Sabbath Observance, recommend to all our people a more strict observance of the Sabbath day. We greatly deplore the fact that not only the people of the world, but by far too many of our church members engage in the desecration of the day by going on Sunday excursion trains, in automobiles and other ways to places of recreation, thus emptying the church pews on that holy day and by this process destroy their own spirituality and set a bad example before their children and the rising generation. We would not forget to include Sunday baseball. We ask all the preachers of the Kentucky Conference to make special mention of these evils, for it is greatly needed. We believe in autos; they may be a great blessing, and will be if properly used; but let us remember that, like many other things, they may be abused.

May the Lord help us preachers and laymen alike to observe more strictly the holy Sabbath, for if we fail in this we undermine the foundation of our religion.

That the Kentucky Conference send out the S. O. S. sign: "Save Our Sabbath!" Carried.

Respectfully submitted,

W. C. STEWART,
T. H. CONREY,
S. B. WARDRIP.

ENTERTAINMENT.

It is mentioned in the Book of Life that the people of God shall never be found "begging bread." The members of the Kentucky Conference of the Methodist Episcopal Church were again reminded of this heavenly promise through the gracious hospitality of the people of Augusta. The spirit of Kentucky is always best expressed by her homes, and Augusta upheld this spirit in a very remarkable way. The Kentucky Conference shall long remember this little city for its fine generosity, and not only because of this, but because it is sacred in Methodist memory as the seat of one of the first Methodist colleges in the United States. The members of the Conference of 1920 felt that they were treading upon sacred ground, and the spirits of men like Bishop Foster, who was educated at old Augusta College, no doubt breathed their blessings upon these laborers in the work of the Master.

Therefore, be it resolved,

First, That the Kentucky Conference extend its heartiest thanks to the pastor of the Augusta Methodist Episcopal Church, Bro. J. A. Bretz, his officials, choir, orchestra, and membership, for the delightful hospitality of their entertainment.

Second, We specially record our appreciation of the remarkable Bible lesson as taught by Dr. Bradford this Sunday morning.

Third, That we also thank the members of our sister churches for opening their homes to us in such a beautiful way that we forgot that they were other than Methodists.

Fourth, That we include the members of the Mt. Zion Church, of the Augusta charge, in this mention because they, too, blessed us with good things.

Fifth, That the Conference quartet be thanked for their splendid singing, which was such a joy to the Conference.

Sixth, That we express our appreciation to the Baptist Church for the use of its rooms for committee meetings, and to the city council for the use of Russell Hall, the city's community house, for the mass meetings of the Conference.

Seventh, That we thank the general officials of our church for their direction and leadership; also the officials of our own Conference for their patience and excellent efficiency in handling the business of the Conference.

Lastly, That we reiterate the resolution of Dr. T. Howard Jones concerning our presiding officer, Bishop Anderson.

T. B. ROBERTS, Chairman.

A. H. DAVIS.

J. B. KENYON,

W. G. BUTLER, Secretary.

EPWORTH LEAGUE.

Resolution: We are the inheritors of extended goodness, peace, happiness and prosperity resulting from the quality of our young man and womanhood. But we are passing through the trial hour—the most crucial hour of human history. Never were we in more danger of losing sight of true values and of becoming blind to the absolute necessity of the supremacy of the spiritual even among our young people; for from these ranks must come our great spiritual leaders who can stay the tide and swing the interests of the Kingdom back into line with the true spirit and principles of our Christianity until the world shall catch a vision of a truly Christian civilization and make their wealth and business capacity tributary to the kingdom of God and to the upbuilding of a new age of moral progress and power.

Noticing with regret as we must a tendency to neglect the great work of the Epworth League in Kentucky,

Therefore, be it resolved, That we, as a Conference, give a more careful and prayerful consideration to the young people of our State, several districts and charges by organizing our forces for a more aggressive program, and that we should arrange for state, district, and group conventions and institutes to stimulate a sufficient interest to bring about immediate action.

(Signed) THOS. B. ASHLEY,
DR. E. T. FRANKLIN,
T. B. ROBERTS.

REPORT ON THE STATE OF THE CHURCH.

Your committee, after having gone carefully over all the items of information furnished us, do make the following report:

1st. After looking over the Conference field, we observe that in

the past many important points from a strategic consideration have been abandoned. It might be an easy matter to show that this tendency has from year to year operated to cause a seeming decrease in the membership of our church in this Conference. We think the day has fully arrived for our church to take on a progressive and an aggressive character. The time for the abandonment of territory has passed forever. We should now turn our front to the future and enter boldly and vigorously upon the fields which should be ours.

2d. We deplore the fact that so many appointments are left each year to be filled by supplies. We think the time has come when we should seek as far as possible to fill the charges with men who have Conference relation. Because we must have men in these charges who can give leadership, and who have it in their heart to build up our Methodism in this great State.

3d. We think the time has arrived for this Conference to commit itself to a definite evangelistic program, extending through each current Conference year. The responsibility for making and executing this program should be in the hands of the District Superintendents. At the earliest moment the district should be organized completely in the most advantageous way and arrangements made to fully carry out the plan.

4th. Our ministers and laymen should realize it is now day-break everywhere. The night is past, and now God surely commandeth all men to see the vision of a better day for our Kentucky Methodism and get intensely busy.

JOHN CHEAP, Chairman.

S. F. KELLEY,

E. B. HILL,

S. M. CARRIER, Secretary.

SUNDAY SCHOOLS.

We call the attention of the ministers and members of the Methodist Episcopal Church to the great importance of the Sunday-school work.

1st. The Sunday school is the place where the children receive spiritual instruction.

2d. Because it is there that they get the first ideas of the kingdom of God.

3d. They also receive a clear conception of the Christian character and life.

4th. The Sunday school is one of the greatest auxiliaries of the church in bringing the children to Christ. Therefore we, as pastors, should look well to every interest of the Sunday school.

Respectfully submitted,

J. C. LANDRUM,

G. V. TODD,

WM. JONES,

A. W. INSKO, Secretary.

FOREIGN MISSIONS.

We are willingly and heartily committed to the "Divine Enterprise of Missions." The world-wide empire of King Immanuel is still in the making, but is giving increasing promise of certain accomplishment.

The open door for the church in the foreign field and the appeals from every field call the home church to redouble its energy that it may more fully obey the Master's command, "Go ye into all the world and preach the Gospel."

We urge the pastors to give more diligent attention to the diffusion of missionary information by preaching on the subject, the organization of mission study classes in the Epworth League, and the use of missionary programs in the Sunday school.

We again commit ourselves to the findings of the experts in the Centenary survey and to the askings of the commission, and let us pledge through loyal endeavor to collect into the treasury every dollar pledged. Our achievements for the past year have been wonderful, and no doubt very gratifying to our faithful field workers. But we believe that a still higher baptism and blessing awaits our beloved church when all Methodists come bringing their tithe into the storehouse. In faith we go hence.

THOS. B. ROBERTS, Chairman.

THOS. B. ASHLEY, Secretary.

BOOKS AND PERIODICALS.

We are pleased to note the constant improvement in the Western Christian Advocate and other religious journals published by our Book Concern.

We recommend that our pastors and laymen assist in the sale of our books and periodicals, and thusly help to bring to our Conference claimants a better support.

We hereby express our thanks to the editor of the Western Christian Advocate for his efforts in making this paper the best religious journal in this part of our country.

NEGRO EDUCATION.

The success of this Society in the first half century is a matter for rejoicing and an inspiration for still greater progress in the future.

The best help for any people is that which promotes self-help—a sample of our work. One Negro Conference gave \$10,000 in one year for its own school. Fifty thousand pupils are crowded into their schools. Ten million dollars has been put into this work. Gammon Theological Seminary is the best endowed institution in the South for Negroes, and Meharry Medical Institute is the best in our country.

The unjust discrimination against the Negro is a blot on our civilization. We believe with Senator Harding, of Ohio, who says the time has come when our nation should take action for the protection of the lives of its colored citizens where the States are neglecting to protect them.

We earnestly urge all our pastors to study the Christian Educator so as to be able to make a strong representation of the work of the cause to their congregations on Lincoln's Day, next February.

J. D. WALSH.

E. R. OVERLEY,

CHARLES MITCHELL.

HOME MISSIONS AND CHURCH EXTENSION.

We, your Committee on Home Missions and Church Extension, are of the opinion that the entire State of Kentucky constitutes a pure Home Mission field unsurpassed in opportunities for development, especially along the lines of the Department of Rural Work.

With the present cultivation, the Kentucky Conference is known as an incubator for preachers and religious workers, many having been sent out to other fields. With intensive cultivation, what might not be expected?

It seems to us that the Centenary survey in Kentucky has been superficial and incommensurate with the needs, and we hope for a readjustment, if possible, to adequately take care of our undeveloped fields.

We recommend that the Conference Board of Home Missions and Church Extension aggressively take up and fight for our cause, as we feel sure they will, to the end that Christianity may be furthered within our bounds.

We would urge upon our people the necessity of bringing up the Centenary subscriptions in full, and upon our pastors the necessity of keeping the cause ever before the people.

H. W. LANDRETH,

O. G. RAGAN,

EDUCATION.

In these post-war days we are making new discoveries. We are coming up out of the chaotic war conditions to find that sets of circumstances and conditions obtaining before the war have now given way to entirely new sets of circumstances and conditions since the war. As a consequence, we are saying: the war has brought these changes.

It becomes necessary for us all to concede that in the pre-war days another nation than our own was standardizing the world's educational ideals. In those days we were sending our brilliant young men and women across the seas to secure the finishing touches of their education under other ideals than our own. We wish here to express the hope that when the mists of confusion, occasioned by the war, are cleared away, that we shall find that America among the nations of the earth is the standard-bearer of the highest and best ideals in education, and that it will become no longer necessary for us to substitute foreign ideals for American ideals as our standards.

The culmination of all education is a true philosophy of life. There is no true philosophy of life in which the person, life and death of Jesus Christ are not the center life and heart of it all. "No other

foundation is laid than that which is laid by Christ Jesus." The educational demand, that is upon us all, is to make all our education Christian education.

There is no force in America more potent for doing this than American Methodism. Methodism's supreme body in recent session, by resolution and enactment, gave impulse to plans and purposes that make for the strengthening of the ideal. Our church is committed to Christian education. Our Conference is committed to Christian education. The educational forces of our Conference are contributing to this ideal. In Conference address, President Franklin, of Union College, emphasized over and over again the Christian ideal that characterizes the work of our Conference College. Asbury College, not a church college, but lying within the bounds of our Conference, and contributing liberally of her output to the work of the Conference, rests securely on Christian ideals in her educational policies. The Olive Hill school, under the administrative ability of the Woman's Home Missionary Society, is framing up Christian character in the young womanhood committed to her trust.

We are happy to note the progress of education in recent years within the bounds of our Kentucky Conference. As evidence of this there lies fresh in our memory the status quo of our recent entrance class, the largest entrance class of the present year in the Cincinnati area, all of whose fifteen members save two are in the process of taking their college work or have completed the same. We hail the day when there shall be no exceptions, and in behalf of the ministry of the Kentucky Conference pledge our hearty support now and always to the enterprise of Christian education.

BOOK CONCERN ACCOUNTS.

We find the brethren of the Conference are paying their accounts in a very satisfactory way. We recommend that those who have not already done so, settle their accounts as early as possible, thereby expediting the business of collecting the accounts.

Also it is urged that payment of accounts be made when possible during the year instead of waiting until Conference, as it will be a great saving to the Book Concern, and insure a larger dividend for Conference claimants.

Respectfully submitted,

W. H. MORRIS,
A. S. GODBEY,
J. W. CANTRILL.

EPWORTH LEAGUE.

The Epworth Leagues have made splendid progress during the past year. We need co-operation between the Epworth Leagues of our entire Conference. This is the most promising field we have to cultivate.

We may save our old people—we must save our young people. We must save them for local and connectional leadership. Your committee for the Kentucky Conference urges that the District Epworth President at an early date meet and plan for renewed endeavor in our local chapters and the formation of a commission to organize an Epworth League Institute Commission, looking forward to the

holding of an institute in our Conference. We pledge ourselves to co-operate with such movement, and pray God's blessing upon it.

STATE OF THE CHURCH.

Whereas, The Committee on the State of the Church of the General Conference of 1920 presented the following Report No. 15 (see page 476, Daily Advocate):

Title: "Sabbath Observance."

Adopted May 21, 1920; members of committee, 269; number present and voting, 84; for, 58; against, 26.

Your Committee on the State of the Church, to which were referred Memorials No. 20-A and No. 564—one from the members of the Kentucky Conference concerning certain abuses of the Sabbath—the other from some members of the General Conference asking for a deliverance on the subject of Sabbath Observance, report as follows:

We view with alarm the widespread and increasing desecration of the Lord's Day, commonly called Sunday. We believe that this forgetfulness of a divine law bodes ill for the individual, the home, the church, and the nation.

We urge all whose duties it is to instruct and train others in morals and religion be increasingly diligent in teaching the nature and necessity of the command to "Remember the Sabbath day to keep it holy."

We recommend that all secular business in Annual Conferences and other church meetings be avoided on Sunday, and we urge the Board of Bishops to arrange the schedules of the meetings of the Annual Conferences so as to avoid Sunday travel to or from the seat of the Conference.

We condemn the many and flagrant violations of Sunday laws, and call upon the civil authorities to enforce all laws for the protection of the day. And we earnestly entreat all who bear the name of Christ to aid, both by precept and example, all efforts to preserve its sanctity as a divinely appointed day of rest and worship."

And, Whereas, This report was not considered by the General Conference, but was left on the calendar (No. 200) when the General Conference adjourned sine die.

And, Whereas, The Memorial from members of the Kentucky Conference referred to in that report No. 15 did not use the words, "Certain abuses of the Sabbath," but merely stated the fact that the Kentucky Conference had held two Sunday sessions during the quadrennium at the request of the bishop presiding, to wit, the sessions in 1915 and 1919. And the further fact that the General Conference of 1888 finding in the minutes of the Kentucky Conference of 1887 a record of a Sunday session at the request of the bishop presiding, adopted the report of the Committee on Itinerancy which said: The bishops shall not hold Conference sessions on Sunday, not even to read appointments.

Therefore, Resolved, That the Conference send a copy of this preamble and resolution to the General Conference of 1924, asking for a deliverance on this subject.

THE WOMAN'S HOME AND THE WOMAN'S FOREIGN MISSIONARY SOCIETIES.

These organizations were born in due season for the accomplishment of great tasks for world redemption. God lifted up these societies to be a light to the whole earth. All lands rejoice in the blessings of God bestowed by these consecrated women of Methodism. Their vision, their plans, their prayers, their victories, their money have wonderfully helped to prepare a highway for our God. Methodism is forever indebted for its progress to the timely birth and fine cooperation of the organized womanhood of our church. For our Conference we heartily recommend: First, That in every church the pastor preach a sermon on the noble work being done by these societies. Second, That our women be urged to organize under the auspices of these societies and help onward this great course. Third, That we invite to our pulpits the officers and field workers to present their needs to our people.

T. HOWARD JONES,
Chairman.

PROHIBITION.

The adoption of the Eighteenth Amendment was a great legislative moral and spiritual achievement. It was an essential addition to the Constitution of the United States. "The greatest product of the human mind ever thrown off in a given time," said Gladstone. National prohibition was absolutely necessary "to promote the general welfare." In 133 years more than 3,000 amendments have been proposed, but only 20 have been submitted.

"The gates of hell" did their utmost to prevent the American people from electing a Congress, two thirds of both branches of which voted to submit the Prohibition Amendment to the people. Then despite the devices and deviltries of the wets, 45 of 48 States elected Legislatures which, by phenomenal majorities in both houses, ratified the amendment. A majority of one vote in either branch of only 13 Legislatures would have defeated the amendment. The Eighteenth Amendment was ratified by the largest majorities any amendment ever received. But to commemorate the Eighteenth Amendment, which became effective January 16, 1920, without equal honorable mention of the Nineteenth Amendment would not be graceful or fair, because every victory for one was a victory for the other also. The progress of prohibition not only paved the way for woman suffrage, but where women could vote, they won the battle for prohibition. In 1916 they carried 42 municipalities of Illinois where the majorities of men voted wet, and the women carried them, too, by sweeping majorities for God and native land. "It is not good for man to be alone" in his home, in his church, in his government. A bachelor government is no better off than was Adam without Eve. If "a man is what his wife makes him," let us look for vast improvement in Uncle Sam since he has taken unto himself a wife. If Harriet Beecher Stowe, Susan B. Anthony, Frances E. Willard, Mary A. Livermore, Dr. Anna Howard Shaw ("and what more shall we say? for time would fail us" to tell the interminable list) had been forbidden to write and speak

against wrong and for right, as they were denied the ballot, not only might slavery still abide in the land, but prohibition could not have been written into our National Constitution.

Retrospect of these reforms reminds us that they were delayed not so much by the antagonism of pot-house politicians as by the apathy and inertia of great men. "Go to the Parthenon and find not what bunglers, but what great men have left undone," said sculptor to his pupil. The exclusion of woman's intelligence, conscientiousness, moral courage, patriotism, and piety, from expression at the polls was not only the greatest disability of the temperance cause in the presence of its foes, but also the greatest hindrance of civil liberty in its mission to bless mankind. Illiterate and vicious males could vote for misgovernment while cultured and noble women had no vote for home and country. That her agency even without the ballot in most of the country enabled us to win both prohibition and equal suffrage for herself with men gives us "full assurance of hope" and "full assurance of faith;" that with the ballot her contribution to the solution of public questions will be like turning the irrigation waters of a great dam into arid lands, making "the desert to rejoice and blossom as the rose." News came from Washington on the 22d inst. that 500,000 women will campaign to keep the United States dry. This indicates our immediate National need—righteous, relentless, rigid enforcement of the law. Woman's suffrage is the surest human guarantee that it will be done. The Prohibition Amendment is not an armistice or treaty with the liquor traffic. It is its death warrant. The Volstead law is not a reprieve. It is a writ of execution of the death warrant. Light wines and beer are a plea of the condemned for stay of execution. Concession to the wets would be cowardice to them and cruelty to humanity. "Be not among wine bibbers" is more statesmanly precept for our country than the slogan of the demagogue, "A mug of beer for the workman." Enforcement of the law can only be had by entrusting its administration to its friends—Local, State, and Federal. The Kentucky Legislature has, with the counsel of the Anti-Saloon League and Druggist Association, given us an admirable enforcement law patterned after the Volstead Act. The Woman's Christian Temperance Union and the Anti-Saloon League have declared a fight to a finish on every candidate not recorded clearly in favor of a rigid enforcement of the Prohibition Law. Enforcement is just as essential to permanent victory as were submission and ratification.

On a railway train in England just leaving a seaport, three men were warmly discussing who was the greater strategist, Wellington or Napoleon, when a military man hastily entered, and after remarking, "That was a close shave; I've come from Gibraltar and specially wanted to catch this connection," he was asked for his opinion of the problem, and gave it in favor of Napoleon. "Ah! then who won Waterloo?" was the rejoinder. In quiet and reverent voice the stranger, who was General Sir John French, said, "God won Waterloo." May we not with like reverence say that God won the Eighteenth and Nineteenth Amendments, and that He gave us our Constitution as virtually as He gave the Ten Commandments to Israel?

The directions to be observed by Examiners and students are as follows:

1. The numbers 1, 2, etc., indicate the division of work among the Examiners.

2. Examiners and students must be prepared on every subject within its own period. The student, when fully ready, not before, will notify the Examiner, who shall have his questions (not fewer than 10 nor more than 25) written out beforehand.

3. The answers should be written by the student in the presence of the Examiner alone, who should afford no help himself, nor allow any to be derived from any other source whatever, whether of person or of printed or written matter.

4. When impossible for the Examiner to be with the student, he may send the questions, under seal, to a third person, *a member of the Conference*. He should direct, by postal card, two or three days beforehand, by way of precaution, and again on the back of the envelope containing the questions, that the envelope is not to be opened, nor allowed out of the possession of the third person, till the student is ready to answer the questions. Inclosed with the questions should be a certificate to be signed by the third person when the student has completed his work, showing that no help whatever was afforded the student. Any substantial departure from these directions should vitiate the examination.

5. As soon as the papers are received and graded by the Examiner, he will notify both the student and J. M. Literal, Registrar of the Board, the result. The minimum grade for passing shall be 70.

6. On the back of every written sermon or essay there should be a statement, signed by the person presenting it, that the conception, composition, and handwriting are his own work.

7. The grading on sermons or essays will hereafter be on the same scale (from 0 to 100) as on books to be studied, with 70 as the minimum grade for passing, in the books to be read the student shall certify to the Examiner that he has read the books.

8. Candidates for local orders, when it is impracticable for them to be examined previously, will be examined on the day before Conference convenes, beginning at 9 o'clock.

9. All examinations must be in the candidate's own handwriting.

10. Except in extreme cases, and for highly satisfactory reasons, no examination will take place after Conference has convened.

Memoirs.

REV. J. H. LENNIN.

The Rev. J. H. Lennin was born in Shelby County, Ky., in August of 1834. He was one of the strong men of the Conference in his days of activity.

Bro. Lennin joined the Kentucky Conference in 1859—that session convened in Hardinsburg, Ky., sixty-one years ago. Eight or ten years later he located his family in that same town, while he himself traveled very extensively over the State as pastor and District Superintendent, or Presiding Elder, as they were then called.

Railroads were then few. No automobiles—the modern convenience of the twentieth century—had scarcely been the dream of an itinerant Methodist preacher. Much of the time his work was so far from home that he never saw a member of his family for six months at a time. We wonder if that wasn't a part of the experience of that of Bishop Taylor, as he said, when the end came, if this is death, I

have suffered ten thousand deaths in being separated from Anna Taylor.

Bro. Lennin served his country in the Union Army through the Civil War; he was well educated and had a perfect flow of language; in the prime of his life, he was one of Kentucky's greatest orators and a great preacher. Yet with all these fine qualities he had some faults, made some mistakes and endured many afflictions; especially was the latter true with him, for a number of years Bro. Lennin has been sitting in his home and walking the streets in physical darkness, having so nearly lost his eyesight. Of course God, religion, and home is first with every true man, but only second to that as an ideal to him was that of being a Methodist preacher. He joined the Kentucky Conference when he was twenty-five years old, making his Conference relation a period of sixty years.

On the eleventh day of June, 1920, he quietly passed to his reward, leaving four children: Mr. Watson Lennin, who is in the West;

Mr. Will Lennin, of Hardinsburg; Mrs. Phelps, of Hardinsburg, and Mrs. Beeller, of Kirk, Ky.

On the 12th day of June the funeral services were conducted in Taylor Chapel Methodist Episcopal Church, Hardinsburg, Ky., by the pastor, Robt. W. Huntsman, after which his remains were laid to rest beside his wife, in the new and beautiful cemetery in Hardinsburg, Ky.

REV. E. L. SHEPARD.

The Rev. E. L. Shepard was born in Ohio, in 1848. He received an academic education at Ashland, Kentucky, and attended Ohio University at Athens two years. He was a hard-working student all his

life, very thorough in preparing his sermons and very systematic as a pastor and district superintendent. The Kentucky Conference never had a more valuable man in the work and business of the Conference than E. L. Shepard. He was a man of fine ability, well informed, having read widely and carefully. He was deeply spiritual and fully consecrated to the work of the ministry, the church and his Master.

He was converted early in life, and during the early part of his ministry received the blessing of entire sanctification. His testimony was always clear with regard to the blessings of regeneration and perfect love. In 1867 he was licensed to preach and served two years as assistant pastor; took charge of the Prestonburg circuit in 1869, and was admitted to the Kentucky Conference in March, 1870. He was ordained a Deacon in Union Church, Covington, by Bishop Merrill, in 1872, and ordained Elder in the same church by Bishop Scott, in 1874. In 1875 was appointed Presiding Elder by Bishop Foster, being with one exception the youngest Elder ever appointed in the church. He was appointed Presiding Elder and District Superintendent six times and served the church in this capacity for twenty-two years. Was elected chairman once of the Annual Conference. Was delegate to the Ecumenical Conference of Methodism. Three times delegate and five times reserve delegate to the General Conference. He served as Secretary of four Annual Conferences and was Chaplain of the Kentucky Penitentiary. He was present and on time for roll call at fifty Annual Conferences; traveled in church work alone 109,322 miles, of which 22,972 was on horseback; built one church; dedicated two

churches, and assisted in founding Bremen College. He brought into the Conference twenty-eight young ministers, most of whom have made good in the ministry. He never took a vacation and missed work less than six months all during his life on account of sickness.

Brother Shepard and Miss Rebecca C. Jones were united in marriage the 26th day of April, 1877, and to this union five children were given, one dying in infancy. The other four: Mr. John E. Shepard and Miss Rebe Shepard, of Covington; Mr. Ray Shepard, of Anniston, Alabama, and Mr. Frank Shepard, of Birmingham, Alabama, survive their father and mother, the mother having died January 1, 1916. A happy reunion has taken place in heaven and father and mother are together again. Our loss is their gain. "Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labors; and their works do follow them."

Brother Shepard was conscious to the very last and spoke to his friends about the great peace of soul which he enjoyed as he neared the river's brink. He said that "all was well with his soul and that heaven would be his home. He passed away quietly at Booth Memorial Hospital, Covington, November 15, 1919. The funeral services were held in Union Church, conducted by his pastor, Rev. E. P. Hall, and E. R. Overley, after which we gently laid him down to rest in the beautiful Highland Cemetery of Covington by the side of his wife. Truly a "Prince in Israel" has fallen. E. R. OVERLEY.

SARAH F. MURPHY.

Sarah F. Burriss, daughter of Abel and Mary Burriss, was born in Lewis County, Ky., January 2, 1849; departed this life at her home in Vanceburg, same county, June 23, 1920, aged 71 years, 5 months, 21 days.

She was united in marriage to Rev. Miles D. Murphy, a minister of the Methodist Episcopal Church, August 10, 1871, and thus became a co-partner in the ministry of Kentucky Methodism. To this union two sons were born, grew to manhood and preceded their mother into the great beyond. Rev. Murphy passed away in 1885, and Sister Murphy in her last day was left alone, having none of her immediate family with her.

Mrs. Murphy was converted during a revival meeting in 1869; joined the Methodist Episcopal Church, South, but after her marriage to Rev. Murphy, united with the Methodist Episcopal Church, and at her death was a member of our church of Vanceburg, Ky.

Funeral services were conducted by the writer at the home.

CHARLES MITCHELL.

MRS. WILLIAM KELLEY.

The Kentucky Conference is again in sorrow because death entered the home of Rev. William Kelley and took from us the loving wife of our esteemed brother. She has left us to join the ransomed hosts in that

"Land of pure delight,
Where saints immortal reign."

Her few years with us revealed to those best acquainted with her the gracious spirit that lived in the tabernacle of flesh. Her ideals were real; her principles were strong; her faith quiet but steady, and she never faltered in her devotion to her Lord. Religiously she was not emotional, but always faithful. The words of her lips were few; the Christ-like deeds of her hands were multitudinous. Her Lord was real and near. His Spirit abiding in her heart gave her patience to live and faith to die. The church was blessed in her living; her loved ones filled her heart. The devoted husband, the dear children, the churches blessed by the life of Sister Kelley, and the friends everywhere thank God for the years she was with us. She has received the King's "well done," and the task golden.

"Dark the door that doth divide,
But, O God, the other side."

The first Conference in Kentucky was held in 1790; but the work in Kentucky was not set apart as the Kentucky Conference till 1821. Meanwhile, death was claiming its own among the preachers. “RUGGLES” CAMP GROUND

Is one of the famous places in Kentucky Methodism. Meetings have been held for forty-seven years in regular succession. About five hundred people camp here annually, and every year bishops and foremost ministers preach the word. Our campers come from many states because here is a place where God's people meet and worship in the “tented grove.” “Ruggles” stands for the religion of Jesus Christ pure and undefiled; souls are born into the Kingdom and shouts of victory are heard. The meeting for 1921 is to be held July 28th to August 7th.

The above is a picture of the main road into the grounds; plenty of shade, abundance of pure water, joyous association and glorious meetings are

CHRIST HOSPITAL

CINCINNATI
OHIO

CHRIST HOSPITAL was opened January, 1889, and occupies a representative position among the charitable institutions of the great city of Cincinnati. It is located in Mt. Auburn, just north of the basin of the city. A beautiful new wing was completed in January, 1916, containing fifty-one private rooms for patients, twenty for administration, with a splendidly equipped kitchen and store rooms on the top floor. The building is so arranged that each room occupied by patients receives the rays of the sun some time during the day. Ample grounds surround the institution, on which are located a fine Power house and Electric plant, and a splendidly equipped Nurses' Home.

Owing to the demands brought about by the war, the number of Student Nurses has been increased to one hundred and twenty.

The hospital affords accommodations for two hundred patients. It is furnished with all modern appliances, and is considered one of the best-equipped hospitals of its size in the Middle West. Eleven deaconesses are connected with the institution. Last year over 4,000 patients were admitted to the hospital.

The free and part-pay departments were maintained at a cost of over \$50,000. Christ Hospital has always been noted for giving cups of cold water in His name, and the past year has been no exception.

"Our Nurses' Home will accommodate but seventy-five. We have secured a building on Auburn Avenue in which to house the overflow. The purchase price, the refitting of it and the furnishing will cost about \$60,000. It will cost \$200.00 apiece to furnish a room. We will be grateful for contributions to this end. Send donations to ALICE THATCHER, The Christ Hospital, Cincinnati, Ohio."

UNION COLLEGE

The Kentucky Conference School

WE SOLICIT your careful attention in consideration of this unique educational institution.

The Faculty is made up of an excellent type of teachers, trained in some of the best Colleges and Universities in the land and living examples of Christian culture. **The President** is a man of wide experience, ranging from a Graded School to a College President. He is one of the most energetic, wide-awake, well equipped college men in the country.

The moral and religious life of our "School Family" is high. We attend Church and Sunday School, have religious chapel exercises every school day, weekly prayer meetings in the dormitory, revivals for the College and community, and drink no intoxicants, use no tobacco, speak no profanity, read no trashy books, and keep ourselves and our rooms clean.

Five excellent buildings, well located on what is probably the most beautiful college campus in the State, are furnished and equipped for up-to-date school life—electric lights, steam heat, hot and cold water, toilets, baths, and natural gas for laboratory purposes. There are three scientific laboratories and a good library. The new Gymnasium is completed and is one of the best in the State. It will be dedicated to the Soldiers and Sailors.

We teach Normal, Academy, College of Liberal Arts and Sciences, English Bible and Theology, Piano, Voice, Violin, Expression, Typewriting, Art, Domestic Science, Domestic Art, Band and Orchestra. A special Normal Course will be started after Holidays, for teachers and prospective teachers who want to take examination for teacher's certificate.

Several courses are offered especially for students interested in some form of LIFE SERVICE. Special consideration is given by way of free tuition to ministerial and missionary students.

Our Conservatory of Music is attracting much attention. We have four teachers giving full time to it. You can get almost anything in music you want under well trained teachers.

Expenses: **Cheaper than staying at home.**
